FEATURES:

- ANKLEshield® Technology delivers superior ankle protection for enhanced stability and confidence on challenging terrain
- Water resistant nubuck leather
- TECtuff® toe bumper to protect against scuffing
- COOLstep® lining to absorb moisture and odour for optimum freshness and hygiene
- HEELguard for added stability and increased durability
- Heavy duty Kevlar® stitching across critical wear seams
- COMFORTcushion® Impact Absorption System Insole with PORON® protects the heel and ball of the foot
- NATUREform® composite toe cap with a wide profile for greater comfort
- Driver-centric stabiliser ensures optimised foot positioning for comfort and control while driving
- Certified ladder grip zones offer secure, slip-resistant footing on ladders for improved safety
- Enhanced lateral grip ensures stable footing and confidence during side-to-side movements
- Programmed deformation zones in the sole provide advanced cushioning and rebound, delivering extra shock absorption for all-day comfort
- Stop & hold technology delivers reliable steadiness on uneven or inclined surfaces, helping prevent slips and falls
- Protective zip cover with a Lycra® pocket securely contains the zipper, promoting a streamlined, non-catch design for safe and snag-free wear
- NANOlite® footbed with memory foam to help reduce fatigue
- Oliver SOFTstride® open cell low density urethane foam built-in to the insole for ultimate comfort and contour support
- Excellent slip resistant sole; SRC slip resistant classification. Anti-static
- AT's dual density PU/Rubber sole with lightweight shock absorbing PU midsole & hardwearing rubber outsole for superior durability. Resistant to 300 °C surface contact
- Deep tread profile, with a self-cleaning design delivers superior traction in the roughest of terrain
- Sole resistant to mineral & organic oils & acids. Cut, split and crack resistant

AT 54-585Z

200MM HI-LEG WHEAT ZIP SIDED BOOT

Discover what's new

Engineered for today's bold explorers, the new Oliver AT 54 Series work boots blend modern style with next-level protection. They are designed for those who demand both comfort and performance - on the job and off. Step in quickly, tackle any challenge, and always move forward with confidence!

- **ANKLEshield® Technology:** Our new work boots deliver superior ankle protection for stability and confidence on challenging ground.
- **Robust Toe & Heel Protection:** Tough scuff caps and reinforced heels ensure these boots thrive in demanding environments.
- **Metal-Free Construction & Premium Rubber Outsole:** The metal-free design allows smooth airport security checks, while the rubber outsole offers heat and oil resistance for active lifestyles.
- **Contemporary Styling & Elastic Innovation:** AT 54 Series boasts a modern look and flexible features, like elastic sides and easy step-in collars, for all-day comfort.
